Queen Elizabeth.

Christened by her namesake HM The Queen, Queen Elizabeth pays tribute to classic art deco design; styling that has won her numerous accolades.

The heyday of Hollywood glamour is instantly evoked in her elegant wood panelling, gleaming chandeliers, and marble flooring but nowhere more so than in her triple-height Grand Lobby; its sweeping staircase dominated by a marquetry-panelled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the hothouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls, or paddle tennis.

Queen Victoria.

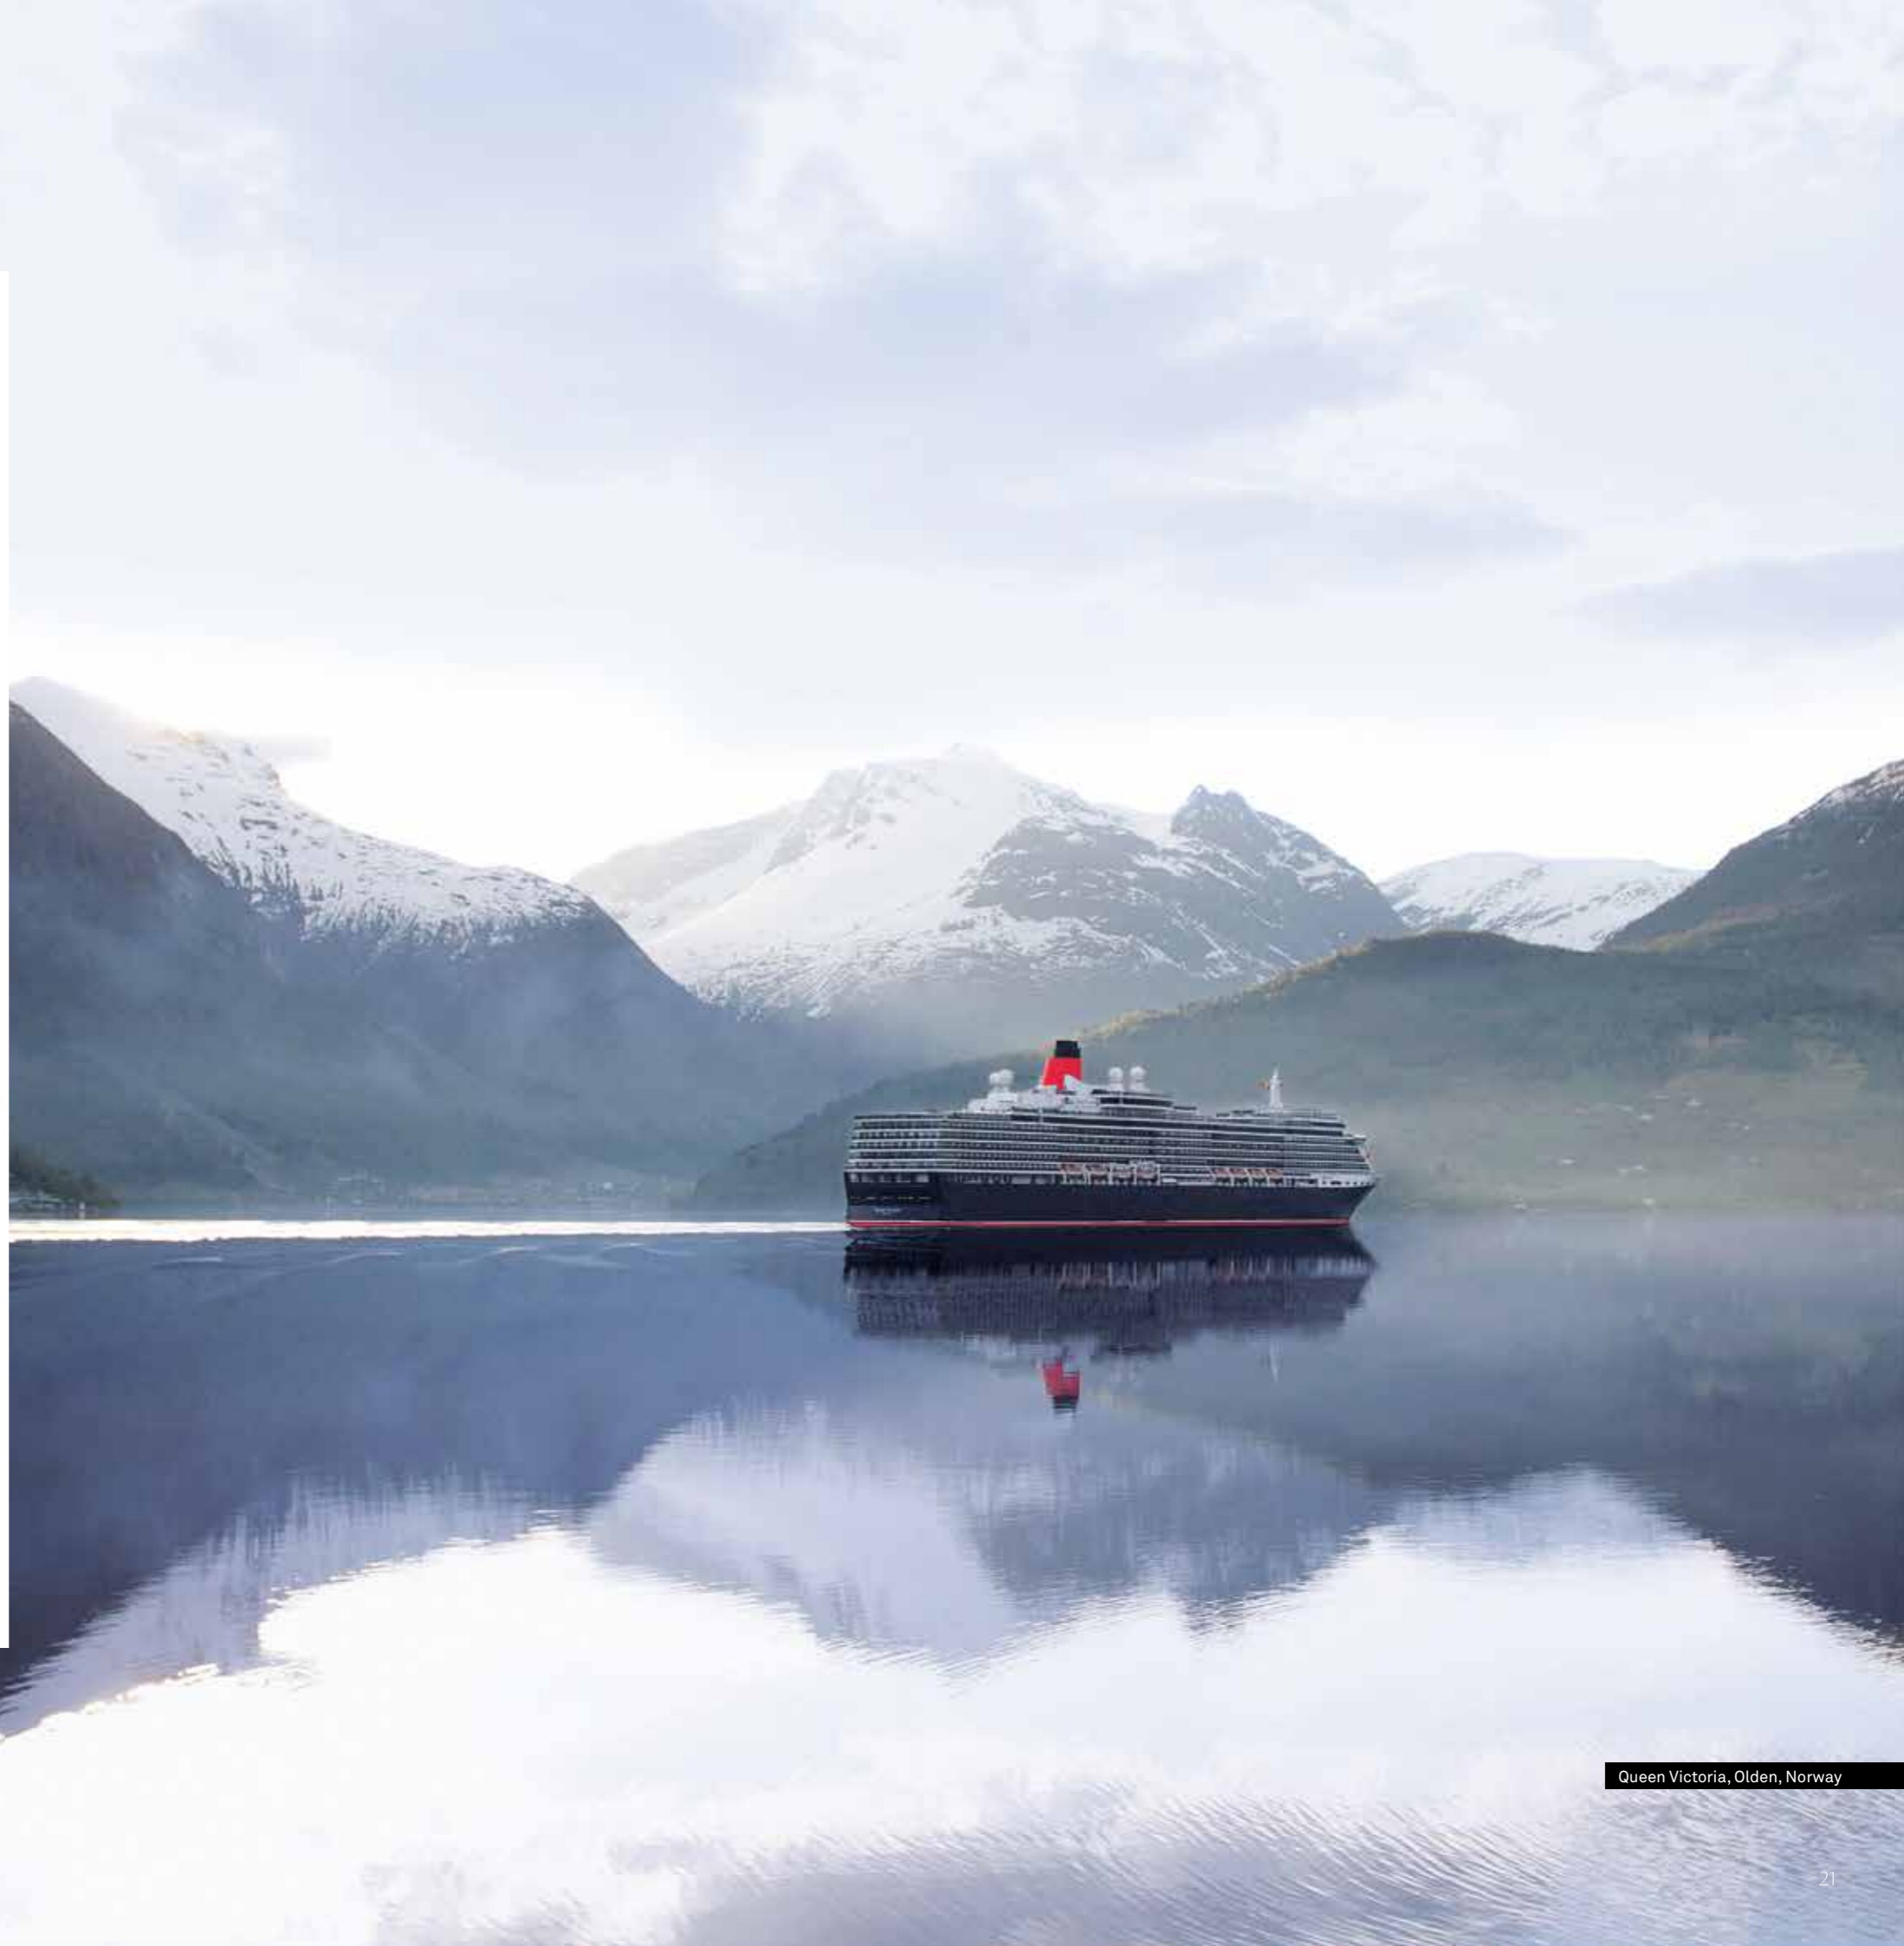

Similar in size and layout to Queen Elizabeth, but with her own distinct personality and feel, Queen Victoria's classical decor has an Edwardian elegance, executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain – Inger Klein Thorhauge, and the first in the world to offer private theatre boxes at sea.

Fans of Queen Victoria often remark on her unusual cosiness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate feeling throughout.

Sustainability at Cunard – Looking after a world we love.

At Cunard we are taking committed action to protect the environment and invest in our communities and people to deliver positive impact – not just for today, but for the long term. Our sustainability agenda supports the United Nations Sustainable Development Goals and is made up of several important priorities.

Protecting the environment.

We are invested in looking after our planet and addressing climate change is one of our top priorities. We invest significantly in new technologies and fleet improvements to minimise the impact of our air emissions. We are committed to the reduction and responsible management of waste and preserving the value of natural resources to ensure our guests can continue to cruise in even cleaner, more efficient and sustainable ways.

- ◆ We are committed to a pathway to decarbonisation which involves significant investment in carbon efficient technologies, energy efficiency activity, and emission reduction initiatives. Our energy and carbon reduction pathway is certified to the internationally recognised ISO 50001 standard.
- ◆ We're improving the quality of our air emissions by installing Advanced Air Quality Systems across the fleet. These systems remove sulfur compounds and particulate matter from our ships' engine exhaust.
- ◆ We are committed to the reduction and elimination of non-essential single use plastics, switching to more sustainable alternatives wherever possible.
- ◆ We continue to evaluate technologies and operational changes to minimise food waste and we support our crew to efficiently manage and control it.

Partnering with our destinations and communities.

We continually strive to promote sustainable tourism by contributing to our communities in a positive social, environmental, and economic way, working in conjunction with local governments, trade associations, tourism organisations, and other community stakeholders. We also recognise our responsibility to preserve and protect the ecosystems and biodiversity of the oceans and destinations we visit.

- ◆ We're proud to work with Travelife to help our tour operators gain GSTC certification, the global standard for sustainable travel and tourism. Aligned to the UN Sustainable Development Goals, the GSTC certification criteria is designed to ensure tourism delivers positive social, cultural, and economic impact.
- ◆ We're installing our ships with the technology needed to connect to shore power where facilities are available, which allows us to connect to the local grid and switch off our engines, thereby reducing our emissions when in port.
- ◆ Recognising water as one of the most valuable natural resources, we have increased the amount of water we produce on board from the ocean and have installed water-saving technology across our fleet.
- ◆ We are working with our suppliers to increase the sustainability of our seafood sourcing and our policy is to never source seafood that is rated as high impact, threatened, or endangered.
- ◆ Our supply chain partners are required to comply with our Business Partner Code of Conduct, which details our expectation for ethics and integrity. We also publish a Modern Slavery Act Statement which confirms our commitment to human rights and outlines our efforts to combat modern slavery.

Investing in people.

Health, wellness, and equity are core to our sustainability agenda. We are committed to a just corporate culture, based on inclusion and the power of diversity, operating with integrity, trust, and respect for each other at all times.

- ◆ We continue to significantly invest in our commitment to protect the health, safety, well-being, and security of our guests, employees and all others working on our behalf.
- ◆ We recognise the value and importance of belonging and continue to build a positive work environment and opportunities for rewarding careers.
- ◆ Carnival Australia is proud to have a strong track record of promoting diversity in the workplace in which everyone feels like they belong. We recently established work groups to focus on four areas: Gender Equality, People with Disability, Indigenous Australians and the LGBTI Community. We are always looking for new ways we can do ever better.

At Cunard, sustainability is one of our top priorities and is a key part of our future. We've taken some important and impactful steps, but we are on a journey and our sustainability commitments do not stop here. We are continuing to find new ways to leave a positive impact on the world we love.

Asia, by Cunard.

Discover a world steeped in history but driven by innovation, where time-honoured traditions still hold dear, yet nothing ever seems to stand still.

For a truly sensory experience, there's nothing quite like Asia. A region synonymous with enchanting contradictions, the sights, sounds, and aromas of these fascinating nations is sure to astound you.

Nowhere embodies this spirit quite so well as Singapore, where ancient shophouses offer a window into the past and contemporary additions, such as the magical Gardens by the Bay, lend the city a futuristic feel. Savour the opportunity to step out after dark, with an overnight port call on selected voyages.

Sailing to Vietnam introduces a multi-layered melting pot of history in Ho Chi Minh City, while arriving in Chan May gives you the choice between visiting the UNESCO-listed Imperial City of Hue, or the wondrous white sands of Da Nang's beaches. Indonesia, meanwhile, brings the charm of Jakarta's old town, Kota Tua, and the intricate Hindu temples of Bali, Island of the Gods.

Queen Elizabeth will also make several Japan circumnavigations in 2023 and 2024, offering the chance to visit Akita's sake breweries, Hiroshima's Peace Memorial Park, and Kanazawa's castle, alongside maiden calls to Beppu and Sasebo. Selected voyages offer the opportunity of joining in Australia.

Port highlights.

On the southern tip of Kyushu lies **Kagoshima**, a place of spectacular scenery. Why not enjoy the rugged mountain vistas, the rivers and bubbling hot springs, and the unexpected palm tree lined streets?

From red railed wooden bridges to the latest trends on the high street, old and new are yours to discover in **Aomori** as far back as the ruins of prehistoric Japan.

In the heart of the city of **Kochi**, a famous landmark is a small red bridge, Harimayabashi. It's central to a doomed love story which you can learn about on an excursion.

Africa and the Indian Ocean, by Cunard.

Delight in salt-white beaches and unforgettable wildlife encounters, coupled with the tropical respite of lush islands infused with sunshine.

With glorious coastlines and vibrant cities, a voyage to or from Africa is an experience that will stay with you always.

Cradled between mountains and sea, iconic Cape Town is a destination that never fails to enchant. Take the cable car to the top of Table Mountain to drink in the spectacular panoramic views or catch the ferry to Robben Island for a guided tour of the UNESCO World Heritage Site where Nelson Mandela was once famously imprisoned. Selected voyages even offer an overnight stay in port.

Alighting in Durban you'll discover a harmony of African and Indian influences, where the city's vibrant Botanical Gardens and inviting beaches are just two temptations. Port Elizabeth, meanwhile, unlocks the spellbinding game reserves of South Africa's Eastern Cape, while Walvis Bay introduces the possibility of Cape fur seal, whale, and dolphin sightings in Namibia.

In the Indian Ocean, the French outpost, Réunion, can only be defined as a kaleidoscope of lush rainforests and waterfalls, inviting you to awaken your inner explorer or simply lay back and forget it all. Shoppers meanwhile will love the waterfront boutiques and lively craft market in Port Louis, Mauritius, its many stalls the perfect place to find a treasured keepsake of your holiday.

The Mediterranean, Iberia, Atlantic Coast and Canary Islands, by Cunard.

Take your explorations to the Mediterranean or soak up the many highlights of Iberia and the Canary Islands.

Home to some of the oldest cities in the world, the rich history of the Mediterranean is beyond compare. Walk in the footsteps of gladiators, step inside ancient archaeological sites, and be spellbound by islands where life seems to move at an altogether slower pace.

In Barcelona, Gaudi's Sagrada Familia and artworks by Miro and Picasso, are just the pinnacle of the experiences to savour. The futuristic City of Arts and Sciences is well worth seeking out in Valencia, while the Santa Maria cathedral is nothing short of exceptional in Palma de Mallorca.

In the 'Eternal City' of Rome, Vatican City and the Colosseum are just two of the historical highlights to have on your radar. Naples, meanwhile, brings the archaeological site of Pompeii.

Selected voyages also offer chance to transit the Messina Strait, or stop in Cagliari to admire its beautiful hilltop Castello. Then of course there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where the sea seems to glint an otherworldly shade of blue. These, together with the Balearic and Canary Islands are sure to inspire lasting holiday memories.

Northern Europe and British Isles, by Cunard.

Revel in pristine scenery and strikingly beautiful cities as you explore the land of fjords and Vikings.

Fascinating contrasts and beguiling natural wonders provide the perfect combination for a magical holiday in Europe's Northernmost nations. Journey to Iceland, home of the Golden Circle, where geothermal geysers await on a tour from Reykjavík, or immerse yourself in the beguiling natural beauty of Norway's deep coastal fjords.

Copenhagen's Tivoli Gardens, Gothenburg's Dutch-style canals, and Tallinn's Medieval Old Town (a UNESCO World Heritage Site) are sure to enchant.

Norway, meanwhile, invites you to follow in the footsteps of Vikings, with passages through waterfall-lined gullies cloaked in emerald forest. Take the funicular up Fløyen Mountain to savour the sweeping panoramic views across Bergen, stroll pretty streets lined with art nouveau buildings in Alesund, and step between the history pages in Trondheim's 11th century Nidaros Cathedral.

A voyage of the British Isles offers the chance to retrace The Beatles' musical legacy in Liverpool, explore Edinburgh Castle on a tour from New Haven, and uncover maritime history at Titanic Belfast, an unmissable attraction in Northern Ireland.

Lose your heart in **Alesund**, the gem of the Nordic coast. The city's buildings feature dreamy turrets and ornate carvings of dragons and mythical figures. Nature has played its part too, as calm waters and distant snow-capped peaks add to the charm.

A sight to behold is the stunning **Aurlandsfjord**, one of the most picturesque fjords in the world, it is flanked by beautiful snow-topped mountains and can be viewed as you cruise by.

A visit to **Stornoway** affords the opportunity to taste the most famous of local food, being Stornoway's black pudding. This delicacy is seen on the menus of some of the world's most famous restaurants.

The Transatlantic Crossing, by Cunard.

A voyage across the Atlantic is as iconic today as it was in 1847 and it remains one of life's most unique travel experiences.

It's a welcome opportunity to leave the everyday behind and immerse yourself in a world of unadulterated escapism.

Most of all, it's an invitation to make an unforgettable arrival into (or departure from) New York by the only true ocean liner, Queen Mary 2.

Share in the timeless romance of it all, with the freedom to spend each day at sea in whatever way you please. From a morning yoga class before breakfast, to an evening performance at the Royal Court Theatre, there's always something new to experience.

Indulge in our famous Afternoon Tea, served at 3.30pm daily (you can set your watch by it) or see constellations take shape in Queen Mary 2's onboard planetarium, Illuminations. Savour a flight of ales in the Golden Lion pub, a live pianist in the Commodore Club, or an Oscar winning film, the choice is yours.

And on selected voyages there is the opportunity to double the experience with a roundtrip Transatlantic Crossing, plus some voyages offer a stop in Le Havre for Paris, adding yet another wonderful dimension.

To find out more, or to book your Transatlantic Crossing, visit:

For a classic seven or eight night crossing you'll join Queen Mary 2 in New York for an eastbound voyage or travel westbound from Southampton to New York.

Alaska, by Cunard.

Exploring Alaska by ship is the perfect way to experience these icy northern reaches first-hand, many of which are inaccessible by air or road.

From the rainforests of Icy Strait Point to the compact charms of Skagway, a voyage through Alaska offers sights and experiences that will stay with you always. Explore frontier towns where gold prospectors once mined the icy terrain, and glacier-studded fjords at the very fringes of civilisation.

Ketchikan, home to the world's largest collection of totem poles, delights with its intricately carved wooden sculptures and candy-hued houses. The state's capital, Juneau, unlocks whale-watching expeditions to see humpbacks and orcas, while cruising Glacier Bay National Park delivers spectacular scenes of tidewater glaciers backed by snow-capped mountains.

On board, naturalists illuminate the views on-deck, performers provide native entertainment, and Cultural Heritage Guides reveal fascinating insights into Alaska's history. An Ice White Ball on Gala Evening offers yet another experience to savour, while an Alaskan twist on our signature Afternoon Tea provides the perfect treat after a day exploring.

Your dining experiences, too, pay homage to Alaska's great culinary legacy, with dishes inspired by native delicacies and ingredients of local provenance. From King Crab and salmon, plucked from the icy depths, to hearty chowders, an Alaska voyage offers a truly immersive experience.

Before you sail.

Ask Cunard.

Whether you're new to cruising or a seasoned expert, Ask Cunard is here to help. You will find answers to the most popular questions. If you're unable to find what you're looking for within these pages visit: cunard.com/en-au/frequently-asked-questions for a wealth of information.

What's included in my fare?

See page 32 and 104 for details.

Do I need a passport, visa, or vaccinations?

All guests must have a valid passport, and some itineraries require you to obtain a visa before departure. Vaccinations will depend on where you are travelling to or from. For domestic cruises departing an Australian port that do not visit an international port, and for domestic cruises departing a New Zealand port that do not visit an international port, a valid passport or government issued photo identification is required. As requirements are subject to change, we recommend checking our website regularly for any updates.

Do I need travel insurance?

We strongly recommend you purchase appropriate travel insurance at the time you pay your deposit for any Cunard voyage. If you do not purchase travel insurance you may not be able to recover cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

Australian Medicare, New Zealand ACC and private health insurance will not cover you for any medical costs on board, even on Australia and New Zealand cruises.

If I'm travelling alone, how will I meet people?

It couldn't be easier to meet people on board. Not only are you invited to a 'Welcome Cocktail Party' for all our guests, you might also want to consider joining a larger table for dinner, in order to get to know more of your fellow travellers. On board activities like classes and quizzes are a great way to make new friends. On all of our ships there are dance hosts to accompany dancers in a waltz or rumba.

What do I wear on board during the day?

You'll need to pack a range of summer or warmer clothes, depending on your itinerary and the time of year you travel. On board during the day, you'll probably find yourself most comfortable in stylish casual wear, including shorts and smart jeans. Swimming costumes, micro shorts, sarongs, and gym wear should be reserved for the poolside, on deck, or in the spa and fitness centre. We request that swimwear must be covered up before entering any enclosed areas.

Is there a dress code on board?

During the day, feel free to relax and dress as you please in all areas of the ship. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

On our much-anticipated Gala evenings, we invite you to dress to impress and celebrate with us. Of course, if you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available for your enjoyment.

Please refer to your Daily Programme for more information.

Smart Attire. Gentlemen, every night we request you wear trousers with a collared shirt; jacket is optional. Ladies, blouses and skirts or stylish trousers and dresses are welcome.

Gala Evenings. On Gala Evenings it's dinner jacket, tuxedo, or dark suit for the men with a regular tie or bow tie. Evening or cocktail dress, smart trouser suit, or formal separates for the ladies please. We do ask you to observe a black-tie dress code.

Relax. Feel free to dress casually as you visit any of the following venues: Lido and Kings Court restaurants, Carinthia Lounge, Winter Garden, Garden Lounge, Yacht Club, Golden Lion, and G32.

How many Gala Evenings will be on my cruise?

As a guide, on board there are two Gala Evenings per week. Details of daily dress codes, Gala Evenings and themes can be found on My Cunard at cunard.com in the calendar view of your cruise. The evening dress code will also be specified in your ship's Daily Programme the evening before. For wardrobe inspiration please see page 136-137.

Does my stateroom grade determine where I eat?

Only in respect of your formal dining arrangements. On all ships your accommodation is paired with a specific restaurant. Please see page 105 for details.

Are there any other places to eat on board?

All ships offer alternative dining options, which are available to everyone:

Queen Mary 2

Boardwalk Cafe, Carinthia Lounge, Golden Lion, Kings Court, Sir Samuel's, and Steakhouse at The Verandah restaurant.

Queen Victoria

Chart Room, Golden Lion, Lido restaurant, and Steakhouse at The Verandah restaurant.

Queen Elizabeth

Cafe Carinthia, Golden Lion, Lido restaurant, and Steakhouse at The Verandah restaurant.

Queen Anne

Will offer a wide variety of alternative dining options throughout the day and evening. Further information will be shared in the future.

In addition each ship will offer alternative dining cuisine each evening: Alternative menus are available at the Kings Court buffet on Queen Mary 2, or the Lido restaurant on Queen Victoria and Queen Elizabeth.

Advance bookings are required for Steakhouse at The Verandah restaurant as well as the speciality dining options in the evening offered in the Lido and Kings Court respectively. These dining options carry a nominal charge.

Room service is also available 24 hours a day.

What does single-seating dining mean?

It means that guests have the flexibility to dine at their reserved table anytime between 6.30pm and 9.00pm in the Queens Grill, Princess Grill, and Britannia Club restaurants. Please note, dining times may vary based on the itinerary.

What if I need a special diet?

Please advise us of your needs three months prior to departure or at the time of booking, whichever is closer to your departure date. Whilst every effort is made to ensure that special dietary requests are met, please note this cannot be guaranteed.

Kosher For guests who require Kosher food, we are pleased to provide this on request and with advance notice. Please advise us at the time of booking where we will send you a menu to make your selection; this must be returned no later than six weeks prior to departure. Unfortunately, we are unable to offer Kosher food for bookings that are made less than four weeks prior to embarkation.

Are there any bars or lounge areas on board?

On all ships there is a Churchill's Cigar Lounge, Commodore Club, Golden Lion pub and Queens Room, plus:

Queen Mary 2

Carinthia Lounge, Champagne Lounge, Chart Room, G32 (nightclub), and Sir Samuel's.

Queen Victoria

Chart Room, Midships Lounge, Winter Garden, and Yacht Club

Queen Elizabeth

Cafe Carinthia, Midships Bar, The Garden Lounge, and Yacht Club.

Queen Anne

Carinthia Lounge, Chart Room, Lobby Bar, Casino Bar and late night venue.

What do the different stateroom categories mean?

You will see from the deck plans that each ship offers various grades of accommodation. The grade and fare of each category is determined by different factors. These include the overall size of stateroom, its position on the ship - forward, midships, or aft - whether it affords a sea view, and whether it has a balcony. Deck plans and stateroom amenities can be found as follows:

Queen Mary 2	pages 106-112

When choosing your accommodation you may want to bear in mind where the different grades tend to be located throughout the ship. For example, for minimal movement, we recommend the staterooms at the centre of the ship (midships). Your choice may also be decided by the facilities on board, such as accommodation grades found close to lifts or to certain public rooms where you envisage spending most time. Alternatively, you might choose your stateroom based on what's outside of the ship. Opting for oceanview grades on the higher decks, especially those in the forward and aft positions with a balcony, provides the most scenic view to watch the ever-changing views.

What is a hotel and dining service charge?

From your waiters and stateroom stewards to the many more people supporting behind the scenes, every Cunard crew member puts their heart and skill into ensuring you experience Cunard's legendary White Star Service. To ensure crew in these areas are rewarded for the service they provide to you, and to eliminate the need for tipping, a hotel and dining service charge is added to your on board account and every dollar collected goes directly to the crew members. There is no administrative fee. Of course, should you wish to individually reward any other crew member who has made your time on board particularly memorable, please feel free to do so.

Casino, Bar, Wine, and Spa personnel do not share in the hotel and dining service charge, as not all guests use their services.

How are these charges calculated?

Amounts vary by stateroom category as follows:

Queens and Princess Grill Suites US\$13.50 per person per day

Britannia Staterooms US\$11.50 per person per day

Naturally, you are free to reward any member of the crew over and above these amounts at your discretion.

What is the currency on board and how do I pay for items I buy?

The currency on board all ships is the US dollar. For your convenience all of our ships operate a cash-free environment. To make any purchases on board you just need to present your Voyage card. Our ships do not accept cash, except at the Purser's Office, for the purchase of foreign currency, and the settlement of your account. In order for charges to be posted on to your account you will need to register your credit card via online check-in or before boarding the ship. All transactions will be charged to your account in US dollars.

If you wish to settle your account using cash then please note that there are limits on the amount of cash that can be deposited on your account, which may vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €10,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

How do I register my credit card?

You will be able to register your credit card via our online check-in website or before boarding the ship in the terminal. All credit card details are encrypted.

We accept the following major cards, Visa Credit, Visa Debit, MasterCard, American Express, Diners Club, and Discover. We are unable to accept Solo, Maestro, Switch, and any pre-paid credit cards.

How can I avoid issues with my credit card?

When you register a credit or debit card to cover you on board spending, an amount of US\$100 will be authorised on your card, similar to what you would experience in hotels on land. During your time on board we will run daily authorisations against your credit or debit card for any amounts exceeding the secured US\$100. The authorised amounts are not taken from your account until it is finally settled on the day of disembarkation. If your voyage is longer than 28 nights your credit card will be charged mid cruise and at the end. Please therefore ensure that you have sufficient funds to settle your account.

On occasion, some authorisations can remain on your card account for up to 28 days. You may therefore want to contact your card provider on your return to release these authorisations.

Prior to leaving for your voyage it is recommended that you advise your credit card provider of your trip away and that you will be on board a ship and visiting different countries. This will help avoid raising a security alert and your card being referred.

If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service or a city transfer service.

With Cunard Fares shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

Can I get foreign currency on board?

You may exchange your money into local currency for most ports of call, however there are certain ports when the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a registered card or cash (US\$500 per day with a maximum of US\$2,500 per seven consecutive days and a maximum of US\$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or travellers cheques.

Some examples of ports with a large tidal range (but not an exhaustive list) are Bilbao, La Coruña, Le Havre, La Rochelle, Lisbon, Zeebrugge, Canary Island ports, Hamburg, Boston, Halifax, Portland, Quebec and San Francisco. Please attach a Cunard issued luggage label to each item of luggage as they are essential for quick delivery to your stateroom. You may also find that your luggage is delayed at disembarkation if any of your bags exceed this limit.

At what time do I have to check in?

To ensure a relaxed start to your cruise we operate a staggered arrival schedule. Your embarkation time will be advised via your e-ticket and or online check-in boarding pass.

The ship will generally leave Southampton at around 4.30pm, although this may change depending on how many ships are in Southampton on the same day and for other operational reasons. facilities, or equipment on board or wishing to bring such equipment on board, must advise Cunard at the time of booking and are required to complete a questionnaire after booking to ensure we have all the information we need to cater adequately for your requirements.

All of our ships cater for guests bringing wheelchairs or mobility scooters. With lifts and wheelchair accessible routes to all public rooms and the vast majority of deck areas, as well as a number of staterooms adapted for wheelchair users, we aim to make your stay as relaxing and comfortable as possible. Please note that our wheelchair accessible staterooms are strictly reserved for use by guests who are bringing wheelchairs or mobility scooters, or who have a requirement for the adapted facilities offered by these staterooms. Cunard reserves the right to require guests who have booked this accommodation without due reason, to move, at their own expense if necessary, to make room for another guest who requires this facility.

Our wheelchair accessible staterooms are built to ADA (Americans with Disabilities Act) standards and it is not possible to make any temporary additions or make structural changes to these staterooms for specific guests.

If you are planning to bring a wheelchair, mobility scooter, or any other specialist equipment on board with you, it is essential that you let us know at the time of booking or as soon as the need is known so we can advise you appropriately. Mobility scooters will only be permitted on board if guests have booked into a wheelchair accessible stateroom, or suite, as these are the only types of accommodation where mobility scooters can safely be stored. Part-time wheelchair users travelling in non-wheelchair accessible staterooms must bring a collapsible wheelchair, to ensure the wheelchair can safely fit through their stateroom door and be accommodated in their stateroom.

Please note that for the safety of the ship and everyone on board, all wheelchairs, mobility scooters, and other aids to mobility must be stored inside your stateroom when you are not using them. Failure to comply with this important safety rule may mean you are disembarked and refused future travel.

A ship is not always the easiest environment for using a wheelchair or mobility scooter. Although our crew are always very helpful, they are only able to provide limited assistance in helping you move around the ship. For this reason, and in order to ensure the safety of the guest, the ship, and all others on board, we recommend guests with disabilities who require personal assistance in the activities of daily living, including pushing a wheelchair, or communication support, to be accompanied by a personal assistant/travelling companion to provide these services. Blind/Visually Impaired guests are recommended to travel with a companion who can help you get your bearings and assist you both on board and ashore.

Our crew can provide limited arm assistance and information or directions, but we cannot provide sustained or long-term assistance. If you travel alone but it becomes clear that you are unable to cope on board, you may be required to discuss the situation with a member of the ship's company and in extreme circumstances, you may be asked to disembark the ship at your own expense.

Please complete the questionnaire PDF downloadable from <https://www.cunard.com/en-au/email-campaigns/accessibility-questionnaire> and email it to us at accessibility@carnivalukgroup.com

Mobility Ashore.

Accessible shore experiences are a category of our shore experiences programme that are wheelchair-accessible. They have been selected and adapted for guests who use a wheelchair primarily, though if spaces are available nearer to departure, they may be offered to guests using other walking aids such as a walking frame. Via these excursions, you can enjoy the freedom to explore ashore accompanied by a companion, knowing that our team has assessed your shore experience for accessibility in advance.

Destinations to explore: Accessible shore experiences are available in a wide range of incredible destinations, and will begin with the word 'accessible' on My Cunard. Like any other shore experience, they are available to book up to 365 days before departure. If you have reduced mobility or use a walking aid but are not a wheelchair user, please note that a range of leisurely shore experiences are also available. These offer a slower, more relaxed pace; to find them, simply use the 'low activity' search filter when browsing shore experiences in My Cunard. The various activity levels for every individual shore experience are also stated in 'Important information'. Accessible shore experiences are offered in destinations where there is an adequate supply of suitable transportation. Some smaller or more remote ports may not provide suitably equipped vehicles. However, we are continuously working with our local providers to source and invest in suitable transport, so please check back from time to time if you're interested in exploring a particular port.

Getting ashore: When choosing your voyage, please bear in mind that it may not be possible for wheelchair users to get ashore at ports of call. At the majority of ports visited by our ships, we deploy a short ramped low-level gangway, commonly referred to as the ship's brow, to give all wheelchair users easy access to shore. We do our very best to make sure that all guests can get ashore in as many ports as possible, although there will be times when it is not possible to deploy the ship's

What to pack.

One of the real pleasures of our ships is the balance between being relaxed and the chance to sparkle in the evenings, whether dressing for dinner or the extra glamour of Gala nights.

During the day, feel free to relax and dress as you please in all areas of the ship. Then as the sun goes down, the style goes up. Every night on board, we ask that you wear smart attire in most of our bars, restaurants and entertainment venues.

Inspiration for day time on board.

For her.

Days on our ships are for relaxing and we want you to feel comfortable and at home. So feel free to dress as you please, whether you're out on deck or inside. Polo shirts, T-shirts and casual tops, paired with shorts, a skirt or casual, lightweight pants or trousers are a great choice or day dresses for a slightly more elegant alternative. Even if it's likely to be hot and sunny, it's usually sensible to pack a few cardigans or lightweight sweaters too for on deck and around the ship. Footwear ideas include smart sneakers or gym shoes, sandals and open-toed shoes, such as espadrilles.

For him.

For days at sea, or ashore, you might opt for a casual long or short sleeve shirt, a polo shirt, a T-shirt or a sweater paired with shorts, lightweight or cargo trousers. Footwear can be equally relaxed, so you might wish to bring sandals, deck shoes or smart sneakers.

Relaxed evenings.

From time to time, not least after a rewarding discovery ashore, you might wish to round off the day in a more relaxed style. You'll be pleased to know that many of our bars and lounges welcome you to unwind in more casual outfits during the evening. Casual venues include: Kings Court, Lido Buffet, Golden Lion, Casino, Carinthia Lounge, Winter Garden, Garden Lounge, Yacht Club and G32.

Smart attire for her.

You might pick out an elegant dress, flowing maxi skirt and top or combine a blouse and pants or trousers. Complete your outfit with low or high heels, court shoes or flats.

Smart attire for him.

This simply means trousers and a dress shirt, jacket optional. You might complete the outfit with brogues, loafers or boots. Essentially something you would choose to wear at a stylish restaurant or theatre on a special occasion.

Gala evenings.

On our much-loved Gala evenings, which are the highlight of the voyage for many, we invite you to dress to impress as the celebratory atmosphere and sense of occasion is heightened across the ship from 6pm. There are two or three of these special Gala evenings (sometimes themed) for every seven days of your voyage.

Gala evenings for her.

These are the sparkling occasions with a celebratory atmosphere for which you pack your favourite evening dress, that flowing ball gown or a statement cocktail dress. Then again, you may feel more comfortable in a formal combination, such as a jacket, blouse or shirt and pants or trousers.

Gala evenings for him.

Don your dinner jacket (or tuxedo, if you prefer to call it that) – which you're more than welcome to wear with a kilt. We ask you that you observe a black-tie dress code. Your choice of smart shoes will complete the look.

Australian dollars, unless otherwise noted. In the event that a displayed price is incorrect, subject to any requirements under the consumer laws, We may retract the price and /or withdraw the product from sale and refund any payments made at the incorrect price. Sometimes We will release promotional fares. These can be offered and withdrawn at any time. If after booking You decide to change to one of these promotional fares, You may need to cancel Your existing booking and Our Refund Policy outlined in clause 9 will then apply. We may elect to impose a fuel supplement at any time, in which case any additional fees will apply to new bookings only. The total price quoted to You at the time of booking will be inclusive of any applicable fuel supplement.

6. Payments

Your booking is not secure until an initial deposit in cleared funds is received by Us. If Your deposit as indicated on Your booking confirmation is not received within three (3) working days from the date that You make the booking, Your booking will be automatically cancelled.

All Voyages	
Deposit Amount <i>% of total fare</i>	10%
Final Payment Due <i>Number of days prior to departure</i>	90%

Please ensure You check the payment conditions, including the deposit requirements, at the time of booking as some promotional fares may have specific payment conditions that may differ from those listed above. If We have not received Your deposit or final payment by the due date, the booking will be automatically cancelled and Our Refund Policy will apply in accordance with clause 9. If You are making a booking within the 'Final Payment Due' period of Your selected voyage, full payment is required at the time of booking. When booking through a travel agent, they may have different payment conditions. Please check with Your travel agent at the time of booking.

7. Name changes

Once You have made Your booking, please check Your Booking Confirmation, 'My Cunard', or with Your travel agent to ensure the details are correct. Should You need to make changes to Your booking (spelling corrections or to replace a guest), no administration fees will apply. Please note however, that additional fees charged by airlines for any changes will be passed on to the guests. New guests added to bookings, and new bookings made, within 48 hours of departure will be asked for passport information at the time of booking for security clearance. Please note, We are unable to accept new bookings or new guests on existing bookings after 5pm (Sydney time) on the day prior to departure (or the last business day prior to departure). One original guest from the booking must always remain in the stateroom. If all original guests cancel / are replaced, the booking will be subject to Our Refund Policy at clause 9. If a cancelling guest was the only person who qualified the booking for a promotional fare (eg. past guest fare), additional and remaining guests will no longer be entitled to this promotional fare. The booking will revert to a different fare and the remaining guests will need to pay the difference in cost, if any.

8. Stateroom changes

On occasion, We may offer reduced cost upgrades meaning that You may be offered a higher grade stateroom at a discounted rate. The opportunity of an upgrade is never guaranteed and will always be at Our discretion. We may also upgrade You without consultation to a higher grade room at no extra charge. The higher grade room could be in any part of the ship (forward, mid ship or aft) and could also be on a lower deck. If You have chosen Your booked stateroom for a particular reason and do not want to be considered for a stateroom move, please let Your travel agent or Our Customer Sales & Service team know at the time of booking. If You are lucky enough to receive an automatic upgrade please note that it is not possible to return to Your original booked stateroom. Even if You request not to be upgraded, Your stateroom can still be changed for operational reasons, including when the number of people booked in the stateroom is less than the number of beds in the stateroom, or if You have selected a wheelchair accessible stateroom and do not require one. In addition, when a booking is made and a specific stateroom number is not selected (known as a 'Guarantee'), the stateroom will be allocated at Our discretion in the category booked, or a higher priced category, at a later date.

9. Refund Policy

Although We would love to see You on board, We understand that plans can change. Should You need to cancel Your booking, We ask that You notify Your travel agent or Our Customer Sales and Service team at Your earliest convenience. The quantum of refund depends on the amount of notice You give Us, as follows:

In the event the card is closed, reported stolen or expired, the refund will still be processed back to the same account originally used. Where a prepaid gift card is used we recommend that you retain the card until the goods and services are provided in the event you need to be refunded. If the prepaid gift card is lost or expired we will not be liable for any loss incurred by the card holder.

10. Shipboard Environment

There are some inherent features of travel by cruise ship which you should be prepared for. Some noises and vibrations are associated with the normal operation of the ship. Maintenance may occur in certain areas of the ship while you are onboard which may affect access to these areas. Weather conditions may also require us to restrict access to certain areas of the ship for safety reasons.

11. Ship & itinerary changes

We will do everything We reasonably can to make sure everything goes according to plan; however, sometimes changes can happen that may affect Your holiday experience. This could include weather, mechanical difficulties, civil unrest or any other unforeseen circumstances. In addition, We may charter all or part of the ship or remove the ship from service where this becomes necessary. We may change the itinerary, ship or cancel the voyage due to operational or commercial requirements. We will notify You of these changes as soon as We can. If We are forced to cancel the cruise for any reason prior to departure We will provide a full refund. Since Your itinerary is not guaranteed, please do not make any important arrangements or meetings based on the proposed itinerary.

Changes within Our control

Where a significant change is made to the ports in Your itinerary prior to departure and this is due to a circumstance within Our control, for example for operational or commercial requirements, You will have the choice of:

1. the new itinerary;
2. an alternative cruise of comparable standard, if available; or
3. cancelling the cruise for a full refund of Your fare paid.

For the purposes of this clause, 'significant change' means a change to the city of departure or disembarkation, or to the majority (by number) of the other ports in Your itinerary.

Changes outside Our control

If it is necessary to change the itinerary due to safety, maritime law, severe weather, to protect human life or health or other factors outside Our control, We will attempt to offer a revised itinerary as close as possible to the original itinerary. We will not provide any compensation in connection with the revised itinerary unless Consumer Laws require otherwise.

12. Hotel and Dining Charges (Gratuities)

During the cruise, guests will experience excellent service from members of Our crew in a variety of locations. In addition, many more crew behind the scenes support those who serve guests directly. For Our guest's convenience, a Hotel and Dining charge will be automatically added to their shipboard account on a daily basis. Grill categories will be charged US\$13.50 per guest per day and Britannia categories US\$11.50 per guest per day. These amounts are subject to change and guests may choose to alter or remove these amounts at their discretion. A 15% charge is automatically added to a guest's onboard account for Bar, Wine & Salon/Spa services for each purchase.

13. Travel Insurance

We strongly recommend You purchase appropriate international travel insurance at the time You pay Your deposit. As Australian Medicare and New Zealand Accident Compensation Corporation do not cover Your travel onboard, it is important that international travel insurance is purchased for all voyages (including domestic Australian itineraries which do not visit international ports). If You do not purchase international travel insurance, You may not be able to claim for any cancellation charges, medical costs, repatriation and other expenses that may arise if things do not go according to plan.

14. Airfares

Our Customer Sales and Service team can assist You in booking flights to connect with Your voyage; in this instance We act only as a booking agent on behalf of the airline. Bookings are subject to availability and the following conditions apply:

- Airfares can only be purchased in conjunction with a voyage and travel will be on flights and airlines nominated by Cunard.
- Airfares are in Australian dollars per person and include GST (where applicable), fees, taxes and surcharges.
- Airfares do not include stopover accommodation, transfers or baggage handling.
- Cunard cannot accept any responsibility where airline schedules or seat availability requires overnight accommodation before or after Your voyage.
- We make every effort to ensure that flight arrangements We make for You are appropriate, however We cannot accept responsibility for missed connections between Your flight and the ship which are beyond Our control.
- Fees, taxes and surcharges can vary by gateway city, routing, destination and carrier and are subject to change without notice. If there is an increase to the fees, taxes or surcharges, We can collect the additional payment prior to Your voyage, even if Your booking has already been paid in full.
- Airline rules and conditions may require full non-refundable payment prior to Cunard's normal payment conditions.
- Alterations to flights after tickets/vouchers have been issued can only be made through Our Customer Sales and Service team (or Your Travel Agent) and will be subject to the airlines' fare rules and conditions.
- If You choose to cancel Your flights for any reason, Our Refund Policy outlined in clause 9 will apply in conjunction with the airlines' fare rules and conditions.

Parents/legal guardians are responsible for children and teenagers at all times. If a child or teenager displays dangerous or disruptive behaviour, the 'Travel Restrictions and Rights of the Captain' under clause 29 will be applied to both parent/legal guardian and child/teenager. For the safety and enjoyment of all on board, there are limits on the number of children and teenagers that can be carried within different age groups. Cunard is pleased to permit individuals to bring service animals on board, subject to applicable Customs and Quarantine requirements. 24. Smoking

Smoking is not permitted in staterooms, on stateroom balconies or in public areas (with the exception of Churchill's Cigar Lounge, which is reserved for cigar and pipe smokers only). Electronic cigarettes, including those which do not emit smoke, are permitted in designated smoking areas only.

25. Your health

We care about the health and safety of Our guests. It is important that You advise Us at the time of booking if You have any condition that requires medical attention, medication or special treatment. We may also ask You to complete a health questionnaire or provide a physician's fit to travel note.

If a guest has a condition that We decide may seriously affect the enjoyment, health or safety of themselves or any other person on board, We can refuse or cancel a booking, where necessary. We will give reasonable consideration when reaching this decision and will advise You as soon as possible. Provided You have given Us all relevant information about the condition at the time of booking, You will be entitled to a full refund if We cancel Your booking on the basis of this condition. Guests that need assistance should always be accompanied by a carer to help with day to day activities as Our crew and medical staff are unable to act as personal carers.

Guests who are bringing a wheelchair or mobility aid onboard must advise Us at the time of booking. You must provide their own wheelchair or mobility aid and must ensure it can be stored inside Your cabin. Limited areas of the ship may not be wheelchair accessible. Please note that some ports can only be accessed using the ship's tenders. Tender boats and tender ports are generally not accessible to guests confined to a wheelchair or with significant mobility impairments.

26. On board medical centre

Each ship has a Medical Centre that is staffed by registered doctors and nurses, who are available during scheduled clinic times to provide medical care for everyone on board. They are also available 24 hours a day, 7 days a week for medical emergencies. Our Medical Centre is only for medical needs arising on board and cannot cater for treatments that You know You will require while on holiday. We are not a healthcare provider and may not be held liable for the sickness, injury or death of any guest arising from any advice, treatment, care, services or any omission by medical staff. These medical providers exercise their own medical judgement and expertise.

27. On board medical charges

We can assist You in making these arrangements; however, We act only as a booking agent. The service providers are solely responsible for the information and service offered and their conditions will apply. Although Our responsibility is on board the ship, where We arrange these services for You, We will assist in addressing any concerns You may have. Any arrangements made with other service providers by or for You are Your responsibility and entirely at Your own risk. In the event that You go ashore You do so at Your own risk. 29. Travel restrictions and rights of the Captain

During the cruise the Captain will exercise complete control over the ship and take such actions as he or she thinks necessary to preserve the safety and integrity of the ship and the comfort, safety and enjoyment of the guests and crew. You are responsible for ensuring that no travel restrictions apply to You. If police or any other authority in any jurisdiction notify Us of, or We otherwise become aware of, any matter that reasonably causes Us to believe Your presence on board presents a risk to Your own health or safety or the health or safety of other guests and crew, We, or the Captain, may deny You boarding and may refuse or cancel any bookings from You. Once the cruise has commenced, if a guest seriously affects the safety, well-being or enjoyment of themselves or any other person on board, the Captain has the right to confine, sedate or disembark the guest. In such cases, We are not responsible for any expenses including Your return home. In addition, You will not be entitled to any refunds. While the Captain will always act reasonably in these circumstances, You accept that the safety, well-being and enjoyment of everyone on board comes first.

30. Leaving the voyage early

If You are required or choose to leave the voyage for any reason (unless caused by Our proven negligence or failure to provide services with due care and skill and that are reasonably fit for purpose), We are not responsible for any expenses, including Your return home. This also applies if You do not return to the ship after a port visit in time for sailing. If We assist You with any costs, You will need to repay Us on Your return. In addition, You will not be entitled to any refunds.

31. Limitation of Liability

Limitation of liability for Recreational Services
Save for liability for significant personal injury caused by Reckless Conduct by Us or Our servants or agents, We exclude liability for all Excluded Recreational Liabilities arising out of the supply of Recreational Services.

Contributory Negligence

Our liability will be reduced in proportion to any negligence or fault on Your part.

32. Notification of Claims

You agree to use all reasonable efforts to bring the issue to report any complaints or claims on board, or otherwise bring the matter to Our attention as soon as possible. You acknowledge that failure to bring any matter to Our attention whilst on board will limit Our ability to investigate the matter following Your cruise. These Booking and Passage Conditions must, so far as possible, be interpreted and construed so as not to be invalid, illegal or unenforceable in any respect, but if a provision, on its true interpretations or construction is held to be illegal, invalid or unenforceable:

(a) that provision must so far as possible, be read down to the extent that it may be necessary to ensure that it is not illegal, invalid or unenforceable and as may be reasonable in all the circumstances so as to give it a valid operation; or

(b) if the provision or part of it cannot effectively be read down, that provision or part of it will be deemed to be void and severable and the remaining provisions of these Booking and Passage Conditions will not in any way be affected or impaired and will continue notwithstanding that illegality, invalidity or unenforceability.

33. Choice of law and jurisdiction

This contract is governed by the laws in force in New South Wales. You agree that any action You bring against Us will be brought in Australia. If You have a claim against Us, You agree only to bring action against Us and not any of Our related bodies corporate as defined in the Corporations Act 2001 (Cth).

35. Cunard Environmental Statement

Here at Cunard We take Our environmental responsibilities very seriously and are committed to reducing Our environmental impact. We are dedicated to preserving the marine environment in which We operate, and therefore believe it is Our duty to introduce environmental practices which set a high standard of excellence and responsibility. To support Our aim We have developed an environmental management system independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance. We recognise that without appropriate treatment, the waste generated on board Our ships, together with the fuel and other products We use to transport, feed, entertain and take care of You could have an impact on the environment. Our waste treatment facilities ensure that all waste is appropriately managed to minimise its impact upon the oceans. All general waste is treated on board to reduce its volume prior to landing ashore and, whenever possible, general waste is recycled. We are reducing Our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat and improved efficiency in air conditioning and We continue to explore new technologies. Through these measures and other initiatives, Cunard will ensure that We help preserve Our environment for future generations.
